Carolyn Cook has by letter expressed a desire to "commence further discovery" in this matter which has received the benefit of much time and focus by this Commission. I believe the language of our Order No. 2009-496 is fully sufficient to address this latest issue. On page 2 of that Order, it states: "The Happy Rabbit/Carolyn L. Cook matters have been dismissed without prejudice – not held in abeyance." No objection was raised regarding that language in the Order. The case was appealed, then the appeal dismissed. An Order of Dismissal and Remittitur has been filed with this Commission from the South Carolina Court of Appeals. This ruling stands. There is no pending case.
